Reference Library (all texts available to students and faculty)

The screenshot shows a web browser window with the address bar displaying www.pharmacylibrary.com/references. The browser's address bar also shows several open tabs: "PharmacyLibrary | Complete", "UCSF Library", "MyAccess2.0 by UCSF IT Se...", and "PharmacyLibrary | Reference". The browser's toolbar includes buttons for "Apps", "News", "Imported From Firefox", "Financial", "Gants", "Recipes", "Career Stuff", "UCSF", "Health and Body", "Calendars and Schedu...", "Personal", "Fun Events", and "https://el.examssoft.c...". The browser's bookmark bar shows "Other bookmarks".

The main content area of the browser window displays the "Reference Library" page. The page has a dark blue header with the following navigation links: "Home", "Reference Library", "Active Learning Exercises", "NAPLEX® Review", "Case Studies", and "JAPhA". The "Reference Library" link is currently selected and highlighted in orange.

The "Reference Library" section features a grid of 14 book covers, each with a title, subtitle, and author(s). The books are arranged in two columns of seven. The books are:

- Handbook of Nonprescription Drugs**: An Interactive Approach to Self-Care, 17e. Daniel L. Krimsky, Rosemary R. Berardi, Stefanie P. Ferreri, Anne L. Hume, Gail D. Newton, Carol J. Rollins, Karen J. Tietze.
- The APHA Complete Review for Pharmacy**: 10e (includes New Chapter). Dick R. Gourley, James C. Eoff III.
- New! How to Conduct a Comprehensive Medication Review: A Guidebook for Pharmacists**. Lauren B. Angelo, Jennifer Cerulli.
- New! Understanding Drug Action: An Introduction to Pharmacology**. Peter J. Rice.
- APhA's Immunization Handbook**: 2e. Lauren B. Angelo.
- Leadership and Advocacy for Pharmacy, 2e**. Cynthia J. Boyle, Robert S. Beardsley, Gary R. Matzke.
- The Art, Science, and Technology of Pharmaceutical Compounding, 4e**. Loyd V. Allen Jr.
- Medication Errors**: 2e. Michael R. Cohen.
- Building Core Competencies in Pharmacy Informatics**. Brent I. Fox, Margaret R. Thrower, Bill G. Felkey.
- Motivational Interviewing for Health Care Professionals: A Sensible Approach**. Bruce A. Berger, William A. Villalume.
- Communication Skills for Pharmacists**: Building Relationships, Improving Patient Care, 3e. Bruce A. Berger.
- Peripheral Brain for the Pharmacist, 3e**.
- Complete Math Review for Pharmacy**: 3e. William A. Hopkins, Jr.
- The Pharmacist in Public Health: Education, Applications, and Opportunities**. Hoai-An Truong, James L. Brissette, Jill A. Sellers.
- Getting Started as a Pharmacy Faculty Member**. David P. Zgarick.
- Pharmacy Ethics: A Foundation for Professional Practice**. Robert A. Buerki, Louis D. Vottero.

Active Learning Exercises

The screenshot shows the PharmacyLibrary website interface. At the top, there's a navigation bar with links like Home, Reference Library, Active Learning Exercises, NAPLEX® Review, Case Studies, and JAPhA. The main content area is titled "Active Learning Exercises" and includes a description of the resource. A callout box on the left side of the page contains the text "Sign-in or create an account to access faculty resources" with an orange arrow pointing to the "Sign in to your personal account" link in the text "Are you a faculty member? Sign in to your personal account to view instructor-specific content."
