The Intervention

- **Prophylactic.** An algorithm for creating the “write” environment to organize, draft, revise, head off writer’s block/ avoidance/ procrastination/guilt; applies to:
 - ✓ **Manuscripts** (pre-submission, post-review revision)
 - ✓ **Grants**
 - ✓ **Presentations/talks** (elevator speeches, press releases)
- **Analgesic.** Eases the pain of writing
- **Anxiolytic.** Mediates the panic
