

Maximize Your Learning Potential

Learning Resource Services brings the latest science to bear in supporting and enhancing the academic excellence of all UCSF students, across the schools and programs.

We can help you

- Optimize your studying, test preparation and test-taking skills
- Use your memory more effectively
- Organize your study time
- Get more out of what you read
- Prepare for oral presentations and oral exams
- Handle test anxiety

Our services include

- Workshops
- Individual consultations
- Small-group study

Our team

Peggy Ryan

point person for students in the Graduate Division, Physical Therapy Program, and the schools of dentistry and nursing

Susan Whitlow

point person for students in the schools of medicine and pharmacy
