

Cheat Sheet for Victor OEQ exercise:

Substance Use:

- **Do you do drugs every weekend?**

(When do you do drugs?)

(How often do you use substances?)

(How do substances fit into your life?)

- **Do you enjoy sex more on crystal meth?**

(Tell me what you enjoy about crystal meth.)

(How is sex different for you on crystal?)

(What's the difference between sex on crystal and sex without?)

- **Do you smoke crystal?**

(How do you use crystal?)

(How do you take crystal?)

Sexual Behaviors:

- **Do you bottom or do you top with the guys you hook up with?**

(What kinds of sex do you have?)---you might end up having to ask a follow-up about being an insertive or receptive partner if the client talks about anal sex.

(When you have sex, what goes where?)

(When you hook up, how could any of those six fluids we talked about be getting into your body?)

- **Do you dislike the way condoms feel?**

(When you do use condoms, what has that experience been like?)

(How do you like to protect yourself?)

(You mentioned that condoms are not your favorite way of protecting yourself. Tell me more about that.) The first sentence there is a reflection, the second is an open-ended question.

- **Do you know anything about the guys you hook up with?**

(When you meet guys online, what information do you have about them before you meet?)

(What kinds of conversations do you like to have before you meet someone in person?)

(How do you decide who to make a date with?)

(What information do you share about yourself? What information do you like to find out about them before you meet?)

Partners:

- **Do you talk about HIV status with all of your partners?**

(What kinds of conversations do you have with your partners about HIV status?)

(How easy is it to talk about HIV status with partners?)

(What is it like to talk about your HIV status and to ask other folks about theirs?)

(How do you communicate about HIV status?)

- **Are you and your girlfriend monogamous?**

(What kinds of agreements do you and your girlfriend have about outside partners?)

(What kinds of conversations do you have about sex with other people?)

- **Do you have sex with the same people more than once?**

(How often would you see the same person again?)
