

How to **POST** your assignments

- Click **Add a new discussion topic**
- Enter a few words describing your study in the **Subject box**
- Type your Research Question at the top of the **Message box** every week
- Type your **NEW** assignment for each week below the Research Question in the **Message box**
- Upload your cumulative Word.doc of your study protocol with all weekly assignments you have completed
- Click **Post to Forum**.
- Please include **LINE** and **PAGE NUMBERS** in the formatting of your word document

READ and **REPLY** to other participants' work:

- Click the **SUBJECT** of the post (not the person's name).
- Click the **Reply** link at the bottom right of the **Message Box**.
- Type your feedback and click **Post to Forum**.
