Protocols DUE 5:00 PM

Final Project Instructions:

- Upload 5-page research protocols by 5 PM
- Strict 5-page limit, 12-point font, 1-inch margins all around.
- You may only upload a single document (Word or PDF). If you want to submit Appendices, they must be included at the end of your document.
- Please name it "LastnameFirstname_final_protocol_2016" (substituting your name)
- See Template and Examples for Guidance. Reasonable modifications and omissions are fine.

 Protocol Review upload

Final project template and examples:

-  Template for 5-page protocol
-  Example 5-page protocol ADAIR Study French 2013
-  Example 5-page protocol Chlamydia screening Sufrin
-  Sufrin Published paper based on DCR Protocol

Other Resources:

The CTSI has a K library here:

<http://accelerate.ucsf.edu/training/grants-library>

See the UCSF Office of Sponsored Research for information about funding.

<http://osr.ucsf.edu/content/find-funding-opportunities>

including a database to which the library subscribes called PIVOT:

<http://www.library.ucsf.edu/db/pivot-funding-opportunities-researcher-profiles>
